MEMORANDUM FOR: Lt. Col. John E. Dahl, Deputy Chief, Military Personnel Division

SUBJECT : Passport and/or Military Orders for Lieutenant Commander Francis C. Forsberg, USN, Ser. 303842

1. In accordance with our telephone conversation of yesterday, I wish you would consider this a formal request to explore the possibilities for providing Frank Forsberg with the proper means for obtaining a passport and supporting military orders to enable him to obtain the passport for overseas travel in connection with Project activities.

2. As you pointed out, this problem is somewhat complicated because of the nature of the Project cover and Frank Forsberg's identification with the U. S. Navy. We do not expect that Commander Forsberg will be obliged to travel to any overseas locations prior to 15 May and his appearance overseas on or after that date will be sporadic for presumably short periods of TDY.

3. I am sure you will keep us posted on your progress in this connection and, if we can do anything to solve the problem, please let us know.
